Muskegon Heights High School
Volume Forty-Seven

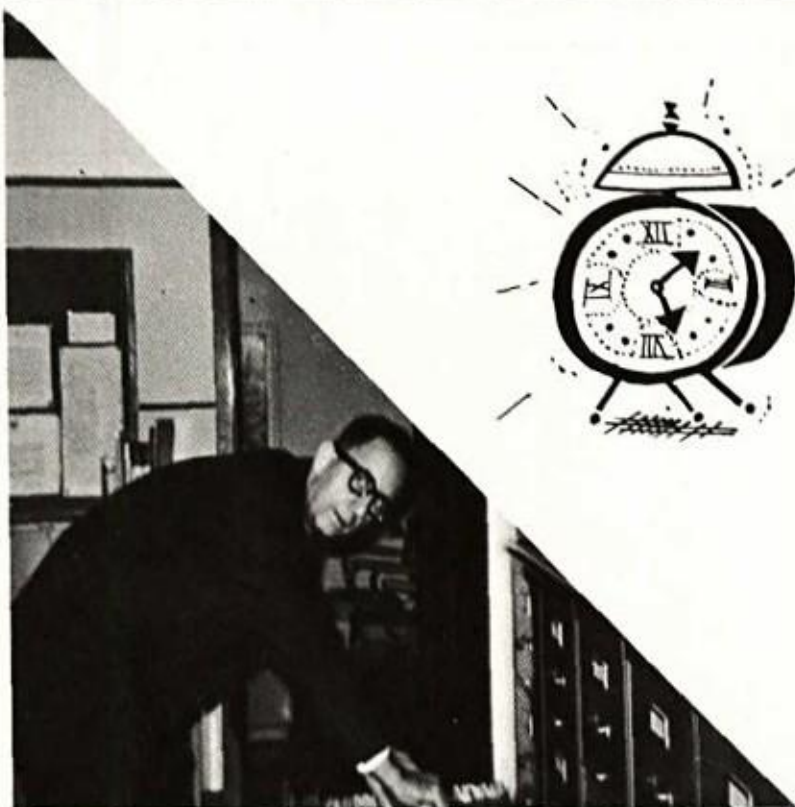

Our Year 1968

The vast majority of this year's graduating class can truthfully say that this has been an enjoyable year. Nature has been kind to us, for she blots out all of our most unpleasant memories and leaves indelible in our memories those events which have afforded us great pleasure.

It is the desire of the pictorial and the journalism staff to aid nature in completing her task by creating this pictorial section. We hope this section serves as a history of the past year at Muskegon Heights High School—a year filled with action and excitement, a school filled with 1,050 busy students. It is here we have found the moments to gather together in cluster and crowds . . . the minutes to plan projects and dances . . . the hours spent in a special class where we do not count the minutes . . . a year in which we found and renewed friendships . . . a year in which many a laugh was enjoyed and many a tear shed . . . a year shared together in work and play, joy and tears, victory and defeat . . . a year which we shall long remember.

Homecoming

67

October 14 was the big day where Spencer Graham and Asaline Culver were crowned King and Queen. Their court consists of Steve Koziak, Preston Martin, Edward Wasiura, Carol Dickert, Vickie Gaunt, and Pam Pedler. The royal couple was crowned by Mr. and Mrs. Herman Kruizenga with assistance of Jerry Kammers and Phyllis Peppler. Senior Arbor girls were Sheila Baldwin, Lynda Burns, Ofelia Casarez, Darlene DeHudy, Brenda Dye, Gail Howell, Barb Kroemer, Brenda Kyser, Sandy Vitek, and Pam Wilson.

There was a reception held after the game to honor the King and Queen where Paula Hines was in charge. Mr. Jerry Raser directed the field work and the band, under the direction of Mr. Gene Marklevits, provided background music.

Float competition was held again this year with the senior float winning first prize and the Oaklians winning second prize.

The Student Council, under the advisement of Miss Jane Schroeder, sponsored Homecoming with Vickie Gaunt as chairman of the event.

Our memories are all we have left of the joyous times that we've had here at Muskegon Heights High. To keep these memories with us this years journalism staff has decided on the idea "School Memories" as the theme for our 1968 Oaks. So that all the students in the class of '68 will treasure this book as their personal diary of their unforgettable experience here at Heights High.

This year we have tried to bring out our theme in somewhat of a different manner, by having an eleven page introductory of pictures to show you the major events that has taken place during the 1967—67 school year. As you leaf through this book we hope that you let your mind wander back into the land of memories and, perhaps, recall a thrilling football or basketball game and maybe an old faculty member who had helped you through a trying period.

All in all we the journalism class have tried to grasp up all our treasured memories and present them to you in your 1968 edition of the Oaks.

We Dedicate This Yearbook To Miss Maxine Cobb And Mr. James Cobb

We, the Senior Class of 1968, are proud to dedicate this forty-seventh edition of *The Oaks* to both of you, Miss Maxine Cobb and Mr. James Cobb.

As sister and brother, you were born in Muskegon Heights, Michigan, and are both alumni of our school.

Miss Cobb, after receiving your B. S. Degree from Western Michigan University, you began teaching physical education classes in our school system. You spend your more leisurely hours sailing and skiing and participating in the many other sports that you enjoy so much. At the present, you faithfully advise our Booster Club at Heights High.

You, Mr. Cobb, received your A. B. Degree from Western Michigan University and your M. A. Degree from the University of Michigan. Besides teaching English, you have taught American History and a course in Photography at M.H.H.S. Like your sister, you enjoy all sports (especially golf). You are married to the former Miss Dottie Abbott and now have a 24-year-old son.

We, the graduating class of 1968, wish you both a rich and prosperous life in the many, happy years ahead.

Board of

Dr. Robert E. Garrison, Vice-president; Foster O. Bishop, Treasurer; Mrs. Patricia Spellman, Mr. Edwin W. V. Anderson, President

Education

Mrs. Gertrude A. McIntyre, Secretary; Mrs. Fred E. Strong, Superintendent; Mrs. Ciggzree S. Morris. (Mr. John L. Terrell was absent when the picture was taken.)

These are the people who have willingly given of their time and talents for the benefit of the public schools of Muskegon Heights. We graduating seniors wish to thank the members of our Board of Education for their efforts. We wish sincerely that we will some day justify all their hopes they have placed in us.

We, the Senior Class . . .

We, the Senior Class of Muskegon Heights High School, wish first to say what we are taking from this high school rather than what we have left it.

We are taking with us a feeling of love and devotion to a school system that has given us much, a system which has taught us to probe, to search, and to filter out the truth. We found here a rare kind of faculty who challenged our every statement in order that we might at last speak the truth, and speak it well. We are taking with us not only a knowledge of books, but of life, and of man. We hope we will, as a result, better ourselves personally, and our country.

In return for these wonderful gifts, we can only give back a promise: a promise to strive hard to justify our schools' faith in us.

CLASS SONG—"BORN FREE"—DON BLACK

Born free, as free as the wind blows,
as free as the grass grows,
born free to follow your heart.

Live free and beauty surrounds you,
the world still astounds you,
each time you look at a star.

Stay free, where no walls divide you,
you're free as a roaring tide,
so there's no need to hide.

Born free, and life is worth living,
but only worth living 'cause
you're born free.

"The affirmative in today's debate is resolved: that Congress should establish uniform regulations to control criminal investigation procedures.

This phrase was heard many a time as the "Tiger Talkers" set out with eight debaters to place third in the West Shore and Valley Coast Leagues and sixth in the Outstate debate league.

There were only two returning debaters for the year but under the direction of Mr. John F. Russ, their new coach, they made a fine showing. Captain for the year was Sandi Vitek with Frank Zarimba acting as co-captain.

COACH RETIRES FROM ATHLETICS

Mr. Delmar Firme, head football coach whose Muskegon Heights Tiger eleven won the Valley Coast Conference title in 1965, decided last fall to resign as football coach. Mr. Firme had been a coach, teacher and counselor at Heights High ever since he returned from service with the United States Navy in World War II. He also coached tennis and baseball here. At present he is Director of Guidance and Counseling, and Director of Attendance. Students and faculty of Heights High are sorry to see him leave coaching, a job which he has always loved, but we wish him well in whatever work he pursues in the future. In an interview, he said:

"I can truthfully say my decision to retire from athletic coaching was one of the most difficult I have had to make. During the period from September, 1947, through November, 1967, it was my pleasure and good fortune as a head or assistant coach of football, tennis, and baseball, to work with several outstanding athletes and hundreds of fine young men. I would like to believe that in some small way their participation in athletics made their school experience more satisfying and helped them after they left school. I know my association with athletics, as a player and a coach, has been most rewarding. I am certain each succeeding September will arouse pleasant memories and will raise many doubts as to whether the decision made was the right one."

Cross Country

Coach Donn Westman

The 1967 Tiger Cross Country team compiled another season of outstanding achievements and accomplishments. This year's team lived up to the great tradition of powerful cross-country teams that has been established at Muskegon Heights High.

The Tigers ended the dual meet season with a fine 10 and 3 mark, and captured the Valley Coast Conference crown. They then went on to become the first Heights cross-country team to place first in regionals.

Throughout the entire year the Tigers displayed the qualities of courage, perserverance, team spirit and fine sportsmanship. Many hours of hard work and dedication were put into the making of our championship team and we of the Oaks staff commend the boys and Coach Donn Westman for a job well done.

VARSITY FOOTBALL

We would like to commend the Varsity Football team of '67 on their fine playing and sportsmanship. Even though we didn't have a winning season, the games we lost were close, as scores indicate. Even though we lost to Muskegon 7 to 0 the Tigers played their best game of the season against the Big Reds. In fact the boys showed everybody that they really had everything it takes to be an outstanding team. We really are proud of our gridiron team of '67.

The 1967 Freshman Football year was one of delights, high spirits, and plenty of "hard work." The Little Tigers showed a lot of drive and enthusiasm throughout the season.

Although the boys only won two games, the coaches were very pleased. A lot of games are won just on the desire to win and this the coaches feel each boy had.

With the experience the Little Tigers gained this year, the J.V. and Varsity teams can look forward to receiving a lot of talent in the future. We wish to congratulate Mr. Hornik, Mr. Pamer and the entire Freshman team for a job well done.

The Girls Track Team entered seven inter-school track meets with Orchard View, Mona Shores, and Reeth Puffer. We won every meet entered.

The Muskegon Heights track team took eight first and six second places of twelve events, a splendid accomplishment.

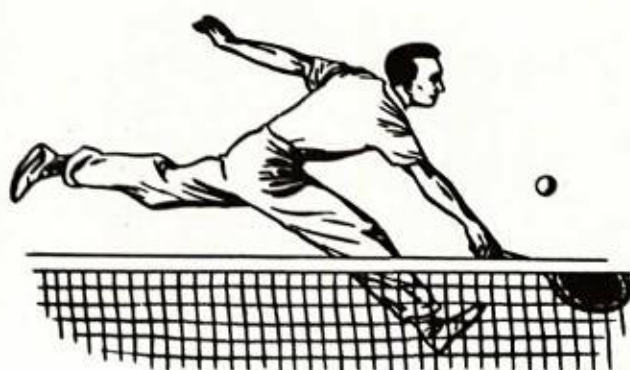

This outstanding track team is the result, at least in part, of the fine coaching by instructor, Miss Maxine Cobb, a graduate of Muskegon Heights High School where she, herself, was an outstanding athlete and tennis champion. We, the student body of Muskegon Heights, are proud of this fine track team and their coach.

While the 1968 Oaks was being completed in the factory where it is manufactured, the '68 Baseball Team was also completing its current season. It is impossible, therefore, to forecast the results at this time, except to say that so far it has been enthusiastic, with more depth in hitting, pitching, and fielding than previous teams of recent years.

Coaches Roger Pfundt and Assistant Larry Rueger were very pleased with the improvement shown this spring. After a slow start, the Tigers have been gradually building up to a position of power in the Conference. (The photo shown here, of course, is of the 1967 team.)

Congratulations!

Columbus landed on an island
and discovered two continents he hadn't
dreamed of. Discovery is like that.
It always creates new challenges.

We hope you'll look upon
your high school diploma that way.
And use it as a base of exploration that
will take you on to college and
the challenges which await you there.

By the time you graduate,
you will have found a few answers.
And discovered many more questions.
Then you'll be ready to start exploring again.

Sealed Power Corporation

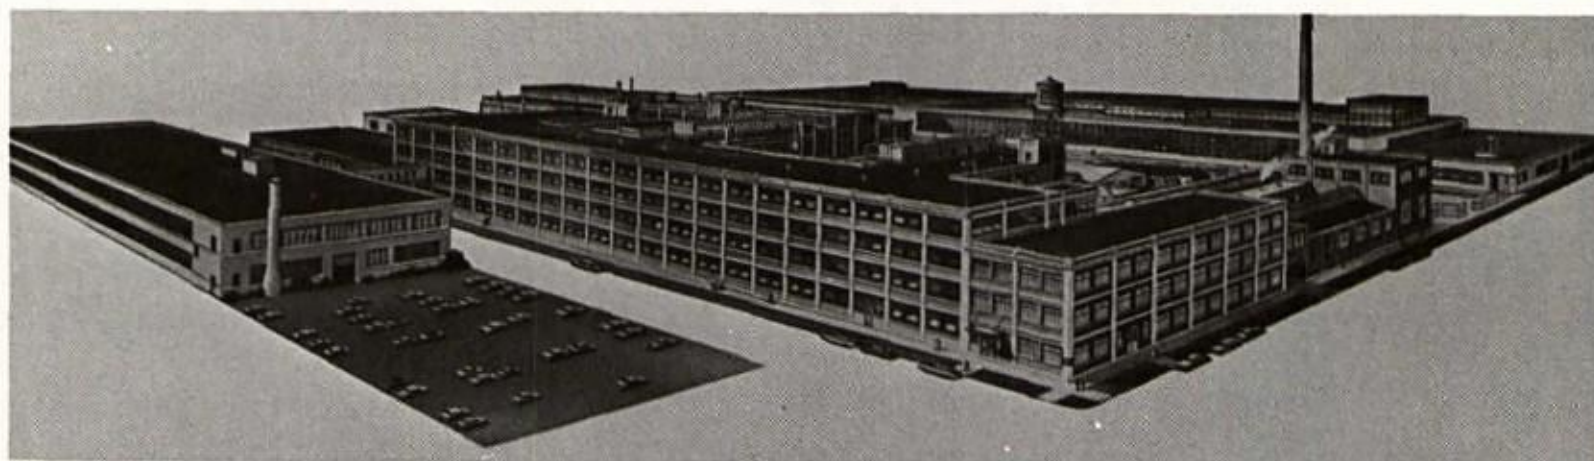

Provides the RING of Opportunity

Today, Sealed Power is seven modern factories in three countries . . . approximately 1,500,000 square feet of floor space . . . a multi-million dollar investment in modern production machinery, research facilities, and precision-checking devices.

From
Canada

to
Mexico

—but mostly here at home in Muskegon—we are spending additional millions of dollars to stay ahead of the times.

We are investing in our future just as you have done by completing your high school education. Only by preparing in the present for challenges to come, can any of us hope to be successful. Whether you plan to seek immediate employment or pursue a higher education, your high school diploma is a sign of sound preparation.
